The following is an examiner's statement of reasons for allowance: the prior art of record does not disclose or fairly suggest the present invention. The cited prior art, Vasquez and Marshall, discloses golfing training devices but lacks the detailed limitations claimed by applicant. In particular, neither reference teaches the single plate comprising a flat narrow end and wider flat distal end. Also, the reference lack the bent and twisted feature.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
